

ATTENTION:
ALL PARENTS OF MGS
KINDERGARTEN STUDENTS FOR
FALL 2019

In order to plan for next year, it is imperative that all students eligible for kindergarten in the fall of 2019 register as soon as possible. If you or any of your friends/neighbors have children **who will be five by September 1, 2019***, Please encourage them to register at Metamora Grade School.

Please stop in the school office during the week of **February 25-28, 2019** and register, in person, between 9:00 a.m. and 2:00 p.m. If you have any questions, please call the office at 367-2361.

We understand the number of working parents is ever increasing; therefore, we have made all the registration papers available on the school's website. You can print the forms, complete them by hand, and return them to the school office. Our webmaster has even included the dental, physical, and vision forms that will need to be taken to the medical professionals.

Kindergarten screenings will be held at the school on **April 30th and May 1st 2019.** Information and sign-up will be available in the school office during registration week.

*Please note: A copy of the child's **certified birth certificate** and **proof of residency** must be presented at the time of registration.

By the first day of school, each child entering kindergarten must have a physical with a record of immunizations, a dental exam, and a vision exam turned in to the school office.
